Her Money Was Gone!

An old woman who lived alone had kept nearly $2,000 00 in currency around her house for years. She was afraid of banks.

Last fall she became seriously ill, and——

No, she didn't die But when she went to look for the cash it was gone! Fortunately some honest friends had found it while she was unconscious and had deposited it to her credit in a bank.

This woman has now decided that after all the bank is the safest place, and, besides, her money is not idle any longer. It is now earning 4 per cent for its owner.

Let us put your money to work for you.

DEVELOPING A MARKET FOR OUR PRODUCTS

Business expansion is by no means haphazard. It entails study and research. That our country may win in the race for world trade the Department of Commerce keeps its agents abroad to search business opportunities. The details of their work are brought out in the seventh of a series of folders on Our Government which we are distributing each month. The complete series gives a highly interesting and instructive account of Our Government and its advantages to you.

Send your name and address and we shall mail you the stories issued previously and each pamphlet published in the future—one every month.

TUCKER

Memorial Speaker at Appomattox

The Daughters of Confederacy of Appomattox have made arrangements and prepared an interesting program for Memorial Day at the Soldiers' Cemetery on May 30th.

Congressman H. St. George Tucker has consented to make the principal address on that day, and there is in store for those who are fortunate enough to be present a treat. Mr. Tucker is one of the ablest speakers on the American platform to-day and with heart and mind tuned by the traditions of his own dear people, inspired by the sacred scenes around and about immortal Appomattox, we shall look for a masterpiece from this tribune of the people.

The remnant of our veterans will be there, so will their sons and daughters. Let's make a real Memorial Day and give the on-coming sons and daughters fresh inspiration from the silent tombs of our departed heroes. Meet us around the sacred mounds where we may honor ourselves in decorating the graves ond paying homage to the defenders of our homes.

Appomattox Boys Organize

On last Saturday the Appomattox boys played the strong Lynchburg Cotton Mill team, but were defeated by a score of 10 to 5. The feature of the game was the good hurling of Doc Franklin. He had the Lynchburg batters at his mercy throughout the entire game allowing only five scattered hits.

The ball team here is now under the auspices of the Association and will appear next Saturday we hope in new uniforms if the manager can possibly arrange to get them.

On last Saturday night a meeting of the Appomattox Athletic association was held and the following officers were elected: Dr. D. N. Twyman president, H. Y. Spencer secretary and treasurer, C. T. Moses manager, A. C. Clement temporary captain. A board of directors Dr. C. F. James, T. J. Roberts and J. W. Flood.

The business men of the village are behind the boys now and real sport is in store for all lovers of the game. If you want a good time come to Appomattox and bring your sweet heart with you.

If you feel tired, worn out, nervous and all unstrung, take Tanlac. It will straighten you out. Chas. F. James.

J. Shelton Ferguson

Died at his home of heart trouble on May 17, 1922, near Hollywood, Appomattox county and was buried on the 18th of May, at his home in the old Ferguson family burying ground. A large crowd of kinsfolk and friends attended the funeral which was conducted by his pastor, Rev T. J. Regland, and Rev. J. H Gordon. All of his brothers and sisters attended the funeral except Mr. Pomp Ferguson, who lives in Kentucky. The many tearful eyes and beautiful floral designs bore testimony of the sympathy of those who mourn his loss. Mr. Ferguson was born February 18, 1882, and died in the forty first year of his age, leaving surviving him his wife, Mrs Ossie Ferguson and eleven children, of the twelve which were born of the marriage

Mr. Ferguson had been a successful farmer and lumberman and though his health had been declining for sometime, he was able to remain at his post, looking after his business until about the first of the year Since that time he has been unable to do much. He gradually grew worse until the end came.

Mr. Ferguson was the son of the late Henry C. and Fannie Ferguson, and he was born, lived and died at his old home place. Deceased had been a member of Hollywood Baptist church ever since a small boy and was a good neighbor and friend. He will be greatly missed in the community where he spent his useful life He was a good, kind and effectionate husband and father and during his illness he had the tenderest attention and sympathy of his family and friends who loved him so well and who lamented his loss with an inexpressible grief.

We desire in this way to thank our friends and loved ones for their kindness shown us during the illness and death of our dear husband and father, J. Shelton Ferguson, also for the many beautiful flowers.
